Fort St. George, June 20, 1941
(G.O. No. 1086, L.A.).

No. 660

It is proposed, in exercise of the powers conferred by section 74 and sub-section (1) and clause (a) of sub-section (2) of section 303 of the Madras District Municipalities Act, 1920 (Madras Act V of 1920), to make rules relating to the payment of claims for arrears of pay, allowances and increments of pay of officers and servants of municipal councils. The following draft of rules is accordingly published as required by clause (c) of section 303 of the said Act for general information.

This draft of rules will be further considered after six weeks from the date of publication in the light of such objections or suggestions as may be received before the expiry of the period aforesaid.

Draft rules relating to the payment of claims for arrears of pay, allowances and increments of pay of officers and servants of municipal councils.

1 Any claim of an officer or servant of a municipal council to arrears of pay, allowances or increments of pay which has been allowed to remain in abeyance shall, before payment, be investigated by the executive authority of the municipal council—

(i) with the sanction of the municipal council in the case of claims relating to a period exceeding six months but not exceeding one year; and

(ii) with the sanction of the municipal council and of the Inspector of Municipal Councils and Local Boards in the case of claims relating to a period exceeding one year.

2. The payment of an arrear claim ordered under rule 1 shall not exceed the amount found to be actually due under the claim in respect of a period of one year immediately preceding the date of detection of the under-payment. If, in any particular case, it is considered that for special reasons a larger concession should be granted the competent authority shall consult the Examiner of Local Fund Accounts in the first instance and then obtain, if the Examiner of Local Fund Accounts so advises, the sanction of the Inspector of Municipal Councils and Local Boards for payments of arrears for a period exceeding one year.

NOTE.—For the purpose of this rule, the date of detection of an under-payment will be the date on which the under-payment is detected by or brought to the notice of the president of the local board or, if it is first detected in audit, the date of detection by the Audit Department. An arrear claim resulting from an order issued with retrospective effect does not arise until the order is issued and shall not therefore be treated as a claim allowed to remain in abeyance during the period prior to the date of the order. An order passed with retrospective effect shall for the purposes of this rule, be deemed to be one which in the circumstances of the case could not have been passed earlier or which was deliberately held over pending consideration.

Rules for issue, etc., of licences for tapping of toddy-producing trees and for drawing of toddy.

No. 2.—In virtue of the powers delegated under clause X of Government Notification No 488, dated 13th July 1899, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1899, Part I, as subsequently amended, and in supersession of Commissioner's Notification No. 7, dated 15th June 1940, the Commissioner of Excise and Separate Revenue hereby

prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1901 :—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district excluding the Gudalur taluk and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

1 Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately ;

(b) of persons having the exclusive privilege of manufacture and supply of renewal toddy attack ;

(c) of toppers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or endorsed or else to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(d) of tree-owners generally, and of sweet-toddy toppers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the Kavali, Atmakur, Nellore and Kavur taluks of the Nellore district, for not more than five trees in the case of tree owners and three trees in the case of sweet toddy toppers for the drawing of toddy required for domestic consumption, but not for sale ;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(f) of toddy shopkeepers in the Pudukottai State desiring to obtain toddy from trees in British territory provided that the application is certified as countersigned by the Sub and Akkari Inspector of the state, and of toddy renters in the Cochin State ; and

(g) of any member of a hill tribe whether a tree-owner or not residing in Sholurbullam Adivarasu, Madhuravadi and Nidiseriem villages of Vizagapatam taluk or in any of the villages of the Vizagapatam district specified in Schedule II for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (f) and (e) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3 Persons wishing to apply for the grant of tree-tapping licences must first pay the fees for the first instalment thereof, as the case may be, due on account of the trees which they desire to tap, into a Government treasury, which may be either the district treasury or a taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (c) the tree tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration to the applications to the effect that they have obtained a licence permanent or temporary, for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer ; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T T 3, the receipt with the Amildar's certificate at T T 4, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree tax, a cent for the use of trees belonging to them, the rates when imposed being payable by British and Mysore licencees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Kollcutta Sub-Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Cochin Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licenced to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either

wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district in the Tegallu and Bapatla taluks of the Guntur district, in the Kavali, Atmakur, Nellore and Kanigiri taluks of the Nellore district and in the villages of the Agency tracts specified in Schedule II trees accepted for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

No. 25-B] MADRAS, TUESDAY EVENING, JUNE 24, 1941

BOARD OF REVENUE (EXCISE).

Notice of Sale of Abkari Privileges.

No 8 .

Notice is hereby given that the privilege of sale of toddy in independent shops in the toddy tax areas of the Presidency, including the Banganapalle State, will be put up to auction subject to the conditions hereinafter set forth. It is, however open to Collectors to dispose of any privilege of sale of toddy in such manner as they may deem fit. The period for which the privileges will be sold will be twelve months commencing 1st October 1941 and ending 30th September 1942. The number of shops, the local limits appointed for them and the dates on which the places at which and the officers by whom, the auction sales will be conducted, will be notified by Collectors in their District Gazettes. The Collectors of Tinnevelly and Ramnad will notify separately the special conditions subject to which the toddy shops in Tinnevelly district and in Sattur, Sivalipatturr, Ramnad, Muduluttur and Paramakudi taluks of Ramnad district will be put up to auction. A separate notification will be issued regarding operations under the ren-lax system.

CONDITIONS OF AUCTION SALE.

I Any person desiring to bid must deposit Rs 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 or Rs. 5 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognised company or firm an agent duly authorised by a power-of-attorney, or any officer-bearer empowered by the articles of association or similar rules, may bid but must act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the Bank necessary and the challan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the challan at the Taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of toddy-palms for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) holding for any shop in which beer is sold for consumption on the premises, or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests, or (8) for any other valid reason.

III. The reserve price placed on each shop will not be published but the average monthly rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion accept the next highest bid. If the selling officer does not accept any bid, either he may bring the shop to auction again immediately or it may be left over for sale at a subsequent date. In case of dispute the selling officer's decision will be final

VI. (a) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Taluk Tahsildar with the particulars of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to the notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., the rent;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) stands will make up two months' rent of all shops knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such purchaser can be expected to pay his instalments orally and fully, he shall require him, in addition to making the deposit required under clause (a) thereof, to execute a bond binding those concerned and failing to which the lease shall at the option of the Tahsildar either

(i) be cancelled two months' rent of all shops knocked down to him; or

(ii) in case of a forfeiture of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser; or

(iii) to enforce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by the purchaser under the terms of the contract and to execute a mortgage deed of the surety's or sureties' property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof by the surety or sureties or by the purchaser.

If the Tahsildar is not satisfied that the value of the immovable property tendered as security by the purchaser under sub-clause (ii) above is adequate, he shall require him to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due, and a mortgage deed of his or their property in favour of the Government.

The sureties referred to in this clause (b) shall submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property.

The purchaser shall be bound to carry out the provisions of this clause (b) within ten days from the date of such intimation to him of the Tahsildar's orders requiring him to do so.

The bond and the mortgage deeds shall be stamped as if registered at the expense of the purchaser. He shall be bound to execute a counterpart agreement. The purchaser of the survey must produce at his cost an encumbrance certificate in cases in which immovable property is mortgaged to the Government.

(c) If the initial deposit exceeds two months' rentals, the excess will not be refunded till the termination of the lease.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will announce, subject to the approval of the Collector, the date, hour and place at which any shops unsold will again be put up to auction and the officer who will conduct such auctions. The conditions of sale will remain unaltered unless otherwise specified. When the list of shops so to be brought to auction again has been drawn up a copy of it will be sent to any bidder who gives his name and address to the Tahsildar and will be posted up at the Taluk office.

IX. (a) The order of the Collector confirming a bid provisionally accepted by the selling officer shall be final unless it is revised by the Board of Revenue for special reasons.

(b) If the Collector considers such bid to be inadequate, he may postpone passing orders confirming or refusing to confirm the provisional acceptance of the bid, and immediately direct that the sale shall be continued from the point at which it was last left, on such date and at such time and place as may be fixed by him. The conditions of sale will remain unaltered unless otherwise directed by the Collector.

Any order passed by the Collector under this clause shall be given adequate publicity and shall also be notified at the Taluk office.

(c) Any sale ordered to be continued under clause (b) shall begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered it. If at such sale a higher bid is offered and is provisionally accepted by the selling officer, the bid with which such sale began shall lapse. But if no higher bid is accepted by the selling officer the matter shall be reported to the Collector who may pass orders confirming the bid provisionally accepted at the original sale or may again direct that the sale be continued from the point at which it was left at the original sale and the order of the Collector shall be final unless it is revised by the Board of Revenue for special reasons.

(d) The provisions of clause (c) above shall apply to any sale the continuance of which is directed under that clause.

(e) No bid which has been provisionally accepted by the selling officer shall be withdrawn before it lapses under clause (c) or before orders are passed confirming or refusing to confirm it, and if the bidder commits any breach of this condition, he shall be liable to make good the difference between his bid and any lower bid which may be finally accepted.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI the slop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the slop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privileges is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to the Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (ii) and (b) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits also under condition VI (a) (ii) and (b) (i) the deposits made in cash may be returned to the depositors. THE FORT ST. GEORGE GAZETTE

No. 25-C] MADRAS, TUESDAY EVENING, JUNE 24, 1941

INDEX NUMBER OF WHOLESALE PRICES OF COMMODITIES FOR MADRAS CITY FOR THE MONTH OF MAY 1941.

A FALL OF ONE POINT.

The index number of wholesale prices for Madras City for May 1941 works out to 128 which is lower by one point than the index for the previous month. The index number for all food articles continued steady at 109, whilst the index for the non food articles fell by one point to 140

2. Among food articles, the index number for cereals declined by two points to 181 due to a fall in the prices of some varieties of rice. The pulses group declined by one point to 90 on account of a fall in the prices of redgram and blackgram. The sugar and jaggery group rose by one point to 77 consequent on a rise in the prices of some jaggery first quality and palm jaggery. Vegetable oils fell by one point to 102 due to a fall in the prices of gingelly oil. A fall in the price of Nilgiri Robusta coffee has reduced the index for the tea and coffee group by one point to 126. The group "condiments and other articles of food" rose by two points to 99 due to an increase in the prices of potatoes, plantains and ghee

3. Under the non food group, the mineral oils remained stationary at 194. The tobacco group fell by three points to 93 as a result of a decrease in the price of snuff quality tobacco. Textiles advanced by five points to 148 due mainly to a rise in the prices of certain varieties of cotton yarn and piece goods. A rise in the price of tanned goat skins was chiefly responsible for an increase in the index for the tanned hides and skins group by three points to 88. The metals group fell by three points to 115 consequent on a decline in the prices of some varieties of iron articles. Building materials continued steady at 124. There was a fall of three points to 139 in the group index for other raw and manufactured articles owing to a fall in the prices of charcoal and myrobalans.
